

INTELLIFI Mobile App Privacy Policy

Introduction

Adtran, Inc. ("**Company**" or "**We**") respect your privacy and are committed to protecting it through our compliance with this policy. This policy describes:

- The types of information we may collect or that you may provide when you download, register with, access, or use INTELLIFI (the "**App**").
- Our practices for collecting, using, maintaining, protecting, and disclosing that information.

This policy applies only to information we collect in this App, and in email, text, and other electronic communications sent through or in connection with this App.

This policy DOES NOT apply to information that:

- We collect offline or on any other Company apps or websites, including websites you may access through this App.
- You provide to or is collected by any third party (see [Third-Party Information Collection](#)).

Our websites and apps, and these other third parties may have their own privacy policies, which we encourage you to read before providing information on or through them.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, do not download, register with, or use this App. By downloading, registering with, or using this App, you agree to this privacy policy. This policy may change from time to time (see [Changes to Our Privacy Policy](#)). Your continued use of this App after we revise this policy means you accept those changes, so please check the policy periodically for updates.

Children Under the Age of 13

The App is not intended for children under 13 years of age, and we do not knowingly collect personal information from children under 13. If we learn we have collected or received personal information from a child under 13 without verification of parental consent, we will delete that information. If you believe we might have any information from or about a child under 13, please contact us at privacy@adtran.com.

California residents under 16 years of age may have additional rights regarding the collection and sale of their personal information. Please see [Your California Privacy Rights](#) for more information.

Information We Collect and How We Collect It

We collect information from and about users of our App:

- Directly from you when you provide it to us.
- Automatically when you use the App.

Information You Provide to Us

When you download, register with, or use this App, we may ask you provide information:

- By which you may be personally identified, such as name, email address, telephone number, or any other identifier by which you may be contacted online or offline ("**personal information**").

This information includes:

- Information that you provide by filling in forms in the App. This includes information provided at the time of registering to use the App and requesting further services. We may also ask you for information when you report a problem with the App.
- Records and copies of your correspondence (including email addresses and phone numbers), if you contact us.
- Your responses to surveys that we might ask you to complete for research purposes.

Automatic Information Collection

When you download, access, and use the App, it may use technology to automatically collect:

- **Usage Details.** When you access and use the App, we may automatically collect certain details of your access to and use of the App, including traffic data, logs, and other communication data and the resources that you access and use on or through the App.
- **Device Information.** We may collect information about your mobile device and internet connection, including the device's unique device identifier, IP address, operating system, browser type, mobile network information, and the device's telephone number.
- **Location Information.** This App does not collect real-time information about the location of your device.

If you do not want us to collect this information do not download the App or delete it from your device. For more information, see [LINK TO CHOICES ABOUT HOW WE USE AND DISCLOSE YOUR INFORMATION].

Information Collection and Tracking Technologies

The technologies we use for automatic information collection may include:

- **Cookies (or mobile cookies).** A cookie is a small file placed on your smartphone. It may be possible to refuse to accept mobile cookies by activating the appropriate setting on your smartphone. However, if you select this setting you may be unable to access certain parts of our App.

Third-Party Information Collection

When you use the App or its content, certain third parties may use automatic information collection technologies to collect information about you or your device. These third parties may include:

- Google Analytics.
- Amazon Web Services.
- Your mobile device manufacturer.
- Your mobile service provider.

These third parties may use tracking technologies to collect information about you when you use this app. The information they collect may be associated with your personal information or they may collect information, including personal information, about your online activities over time and across different websites, apps, and other online services websites. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content.

We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal information, to:

- Provide you with the App and its contents, and any other information, products or services that you request from us.
- Fulfill any other purpose for which you provide it.
- Notify you when App updates are available, and of changes to any products or services we offer or provide through it.

The usage information we collect helps us to improve our App and to deliver a better and more personalized experience by enabling us to:

- Estimate our audience size and usage patterns.
- Store information about your preferences, allowing us to customize our App according to your individual interests.
- Speed up your searches.

- Recognize you when you use the App.

Disclosure of Your Information

We may disclose aggregated information about our users and information that does not identify any individual or device, without restriction.

In addition, we may disclose personal information that we collect or you provide:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our business and who are bound by contractual obligations to keep personal information confidential and use it only for the purposes for which we disclose it to them.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Adtran, Inc.'s assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal information held by Adtran, Inc. about our App users is among the assets transferred.
- To fulfill the purpose for which you provide it.
- For any other purpose disclosed by us when you provide the information.
- With your consent.
- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- To enforce our rights arising from any contracts entered into between you and us, including the App EULA, [terms of sale](#), and for billing and collection.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Adtran, Inc., our customers or others. This includes exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

Your Choices About Our Collection, Use, and Disclosure of Your Information

We strive to provide you with choices regarding the personal information you provide to us. This section describes mechanisms we provide for you to control certain uses and disclosures of over your information.

- **Tracking Technologies.** You can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent. If you disable or refuse cookies or block the use of other tracking technologies, some parts of the App may then be inaccessible or not function properly.

California residents may have additional personal information rights and choices. Please see [\[Your California Privacy Rights\]](#) for more information.

Accessing and Correcting Your Personal Information

You can review and change your personal information by logging into the App and visiting your account profile page.

You may also send us an email at privacy@adtran.com to request access to, correct, or delete any personal information that you have provided to us. We may not accommodate a request to change information if we believe the change would violate any law or legal requirement or cause the information to be incorrect.

California residents may have additional personal information rights and choices. Please see [\[Your California Privacy Rights\]](#) for more information.

Your California Privacy Rights

If you are a California resident, California law may provide you with additional rights regarding our use of your personal information. To learn more about your California privacy rights, visit [\[HYPERLINK TO CCPA PRIVACY NOTICE FOR CALIFORNIA RESIDENTS\]](#).

California's "Shine the Light" law (Civil Code Section § 1798.83) permits users of our App that are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send an email to privacy@adtran.com or write us at: Adtran, Inc. ATTN: Legal, 901 Explorer Blvd., Huntsville, Alabama 35806.

Data Security

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure. All information you provide to us is stored on secure servers behind firewalls.

The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our App, you are responsible for keeping this password confidential. We ask you not to share your password with anyone.

Unfortunately, the transmission of information via the internet and mobile platforms is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted through our App. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures we provide.

Changes to Our Privacy Policy

We may update our privacy policy from time to time. If we make material changes to how we treat our users' personal information, we will post the new privacy policy on this page with a notice that the privacy policy has been updated.

The date the privacy policy was last revised is identified at the top of the page. You are responsible for ensuring we have an up-to-date active and deliverable email address for you and for periodically visiting this privacy policy to check for any changes.
